

Unit 10 — Auditing

2026 English for Accounting and Finance. All rights reserved.

Abnormality

something which deviates from the norm, or does not appear to be right

"Several abnormalities were discovered during the audit, which resulted in the company being taken to court."

Act on

to make a decision (often based on new information)

"The board decided to act on the performance auditor's recommendations and instituted new purchasing procedures."

Adhere to

to follow or obey

"Each company should adhere to the accounting standards of the country that they operate in."
