Blue-chip

considered to be a safe investment because of previous performance

"Even blue-chip companies like Apple and Unilever are struggling as a result of the crisis."

Bonds

an amount of money that a government or individual borrows and agrees to repay at a certain date with a certain amount of interest

"Some investors cannot hold bonds with a risk rating worse than A."

Boom

a period of sudden economic growth

"Property investors became rich during the 1980's property boom."
